

# SCRIPTURE AND ASSETS

Asset building is important in youth ministry, not because it's new, but because it gives a fresh perspective for examining and reclaiming truths central to who kids are and their faith commitment. By exploring and tapping the connections between faith and asset building, you will enrich your ministries with children, youth, families, and communities. The Scripture passages below can serve as a springboard for reflecting on the potential connections between biblical texts and the 40 developmental assets:
